Dinner attendees will have a souvenir picture taken under a banner that reads "I'm voting Democratic..." Each person will hold up a sign of their choice to complete that sentence—i.e. "to fix our economy," "to save our planet," "to bring our troops home," etc. Guests can choose from signs made available at the dinner or create and bring their own sign. Pictures of those who choose to participate will be turned into a video to make a statement about voting Democratic. The video will be posted on the TDWCC website and maybe even on YouTube!!
